The golf course is irrigated with reclaimed water.

LOCAL RULES

1. Through the green, a ball that is embedded may be lifted, cleaned and dropped, without penalty as near as possible to the spot where it lay but not nearer the hole.
2. A ball coming to rest on the homeowner's side of a water hazard is deemed to be out of bounds.
3. Annual flower beds are ground under repair from which play is prohibited. A player must take relief under Rule 25-1.
4. As an additional option under Rule 26-1, a player whose ball is in the water hazard on hole #5, may drop a ball, under penalty of one stroke, in the drop zone at the front of the tee.
5. If an immovable obstruction within two club-lengths of the putting green and within two club-lengths of the ball intervenes on the line of play, the player may drop the ball at the nearest point that (a) is not nearer the hole, (b) avoids intervention and (c) is not in a hazard or on a putting green.
6. The inside edge (water side) of all bulkheads defines the margin of the water hazard.
7. The gravel turn around area on the island on hole #5 is defined as an immoveable obstruction. Rule 24-2 applies.
8. In the absence of a hazard line, the outside edge of the Audubon strip defines the margin of the water hazard.
