

Mill River Plan/Golf Shop Pricing

The "Mill River" Plan is a member's amenity designed to provide discounted pricing on goods purchased through the ECC Golf Shop. All Golf Shop items will be priced at approximately 14% over wholesale costs. The 2022/2023 Mill River charge will be billed \$135 annually, plus tax. This plan is a requirement of all membership categories. All purchases in the ECC Golf Shop must be for personal use and gifts. A member should not use their privilege to purchase items for others outside the club unless purchases are made as direct gifts. Shipping and handling fees will apply on all special orders. Unaccompanied Guests will not be eligible to receive this pricing plan but will be sold goods at retail pricing.
